

## Save those Box Tops for Education

Hello Belle Aire Families! Just wanted to remind everyone to be saving your Box Tops for Education for our school. I hope you all had a chance to take advantage of all the Bonus Box Tops that General Mills put on several of their products last month. The Box Tops contest will start after winter break and run through mid February.

Jewel will offer bonus Box Tops occasionally through out the year. When you buy 10 participating products a bonus certificate will print out at the register. There will be a code that will need to be entered in on-line. Go to [growinglocallearning.com](http://growinglocallearning.com) and register. When you register you will set up a user name and password, and then you will choose which school you want your Box Tops to go to. Then you just enter the codes and they will go into our account. Once you are registered they will e-mail you every time Jewel is going to offer the bonus Box Tops. These bonus certificates will count toward the contest if you write "entered" on them and hand them in with your regular Box Tops. They do expire, so please enter them in before the expiration date. If you don't have time to register, you can put them in an envelope with my name on it and I will enter them for you. If you would like them to count toward the contest, just write a note letting me know which class you want them to go toward. Last year we earned over \$400 alone just from Growing Local Learning bonus Box tops.

Last year we raised \$1400 in Box Tops for the school year. This is a great way to support our school without costing you any money. Not sure what products have Box Tops? Check out their very user friendly website at [btfe.com](http://btfe.com). They have a list you can view or print with all the participating products. I am looking forward to another successful year in Box Tops. With Sincere Thanks,
