

Campbells Labels for Education and e-labels

Hello Belle Aire Families.

Welcome back to another school year.

I just wanted to make everyone aware of a new program set up through Labels for Education. Throughout the year Jewel and Dominick's will offer bonus Labels for Education when you buy certain items. This week Dominick's has an offer when you buy 5 participating items you will get 500 bonus points for Labels for Education. These bonus points certificates will need entered in on-line. They do expire, so please enter them in before the expiration date.

When you sign up for e-Labels, every eligible purchase made using your shopper card from participating retailers will automatically earn 1 point for our school. All you have to do is register your Jewel "Preferred Customer Card" and Dominick's "Fresh Values" Card for "eLabels for Education" to earn points for our school. It is so easy! I took me about 5 minutes to register. Go to www.eLabelsAddUp.com to register. You get 100 bonus points just for registering. Offer is valid from September 15 - 21. This is also where you enter in your code for the bonus certificates.

We also collect the UPCs from participating Labels for Education products. We earn points for each UPC summited, then we get to buy from a catalog with our points. Last year we bought art supplies for our school. We do not have a contest for the Labels for Education, so you can just hand them in to your child's teacher anytime through out the year.

Not sure what to save? Go to LabelsForEducation.com. It is a great website with a wealth of information including participating products and what to save on each product. If you have any questions, please do not hesitate to contact me at lerchmichael2000@yahoo.com, or (630)724-0672.

Thank you for supporting Belle Aire!

Julie Lerch
