

Win Prizes with the December Trash for Cash Raffle!

The Environmental Committee is holding a Trash for Cash Collection Raffle! To enter, simply collect Trash for Cash Items:

- clean, empty juice pouches (no straws please),
- clean empty sandwich, snack, quart, or gallon sized baggies (can be zip type or fold over type) or plastic Gladware-type food storage containers, or
- clean health and beauty product packaging (see list below).

Sorry, but we are no longer collecting used diaper packaging or scotch tape rolls.

Put collected items **with your child's name and grade code written on it with permanent marker** in the appropriate bin in the trash pen collection area: one bin for juice pouches, one bin for plastic baggies and plastic food storage containers, and one bin for health and beauty packaging.

Each item serves as a raffle ticket. The more items that you turn in, the more chances you have to win.

Please turn in items between December 1 and December 9.

Raffle tickets will be drawn in the afternoon of December 9 and winners will be announced. We will continue to collect these items throughout the year, so you can still turn them in after Dec. 9. However, items turned in after Dec. 9 will not be eligible for the raffle, so you need not write your child's name and grade code on the item.

Acceptable Health and Beauty Product Packaging Items:

- | | | |
|------------------------|----------------------|------------------------|
| ★ lipstick cases | ★ lotion dispensers | ★ face soap dispensers |
